**John H. Mathias Jr., David M. Kroeger, Matthew M. Neumeier, Jerry J. Burgdoerfer : Directors and Officers Liability: Prevention, Insurance and Indemnification (Insurance Series orporate Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Directors and Officers Liability: Prevention, Insurance and Indemnification (Insurance Series orporate Series):

With liability often looming just over the horizon, corporate directors and officers rely on liability insurance and indemnification for peace of mind. Finally, there is a book that spells out in detail how these protections really work and how they differ. Directors and Officers Liability: Prevention, Insurance and Indemnification examines such topics as: the risks officers and directors face; derivative and class actions; when insurance is available; and when a

corporation is required or allowed to provide indemnification. The authors have included comprehensive coverage of indemnification agreements and liability insurance policies, with point-by-point analysis of provisions, procedures, exceptions and gray areas. Book #00659; looseleaf, one volume, 678 pages; published in 2000, updated as needed; no additional charge for updates during your subscription. Looseleaf print subscribers receive supplements. The online edition is updated automatically. ISBN: 978-1-58852-095-1.
