Rene Barents : Directory of EC Case Law on State Aid (International Competition Law Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Directory of EC Case Law on State Aid (International Competition Law Series):

International Competition Law Series Volume 37 Directory of EC Case Law on State Aids, which follows the same proven format as the previous edition, updates its pre-eminent analysis of case law with hundreds of new decisions by the EU courts, and remains the quickest source of reference for practitioners working with EU State aid matters. Since the first edition of this immensely useful book which coincided with the start of the global financial crisis in 2008 there have been numerous high-profile cases on State aid. This new edition, following a highly organized sequence of subject headings, presents extracts from all judgments and orders of both the Court of Justice and the General Court of the EU on the TFEU rules on State aids (Articles 107-109). What's in this book: With this book, practitioners will quickly find relevant paragraphs and full citations regarding all issues raised by Articles 107-109 TFEU, including the following and much more:
