Gurdon H. Buck : Drafting Rules: How Community Associations Maintain Peace and Harmony before purchasing it in order to gage whether or not it would be worth my time, and all praised Drafting Rules: How Community Associations Maintain Peace and Harmony:

0 of 1 people found the following review helpful. Condo HarmonyBy J. MaranoI knew the author, Gurdon Buck, and found him to be a very interesting man and a wealth of knowledge when it came to Condo law, rules and regulations. This is a very handy reference guide.0 of 0 people found the following review helpful. A Great Resource For Drafting Association RulesBy Byron MettlerDrafting Rules is an excellent resource for association managers and board members. This book explains the legal basis for make rules and how to develop good, fair an enforceable rules. The author, Gordon Rule, included a series of organized lists to help association leaders write or revise existing rules to comply with the association documents and state laws.The appendix contains 16 pages of sample rules to show the proper format and layout of rules. Drafting Rules would also be a helpful guide for seasoned managers desiring to take

a fresh look at their association rules.

Nothing can cause ill will within the community like unclear, unfocused rules. This book will not only help ensure that your rules are easily obeyed and enforceable, it will also provide input for rules you may have overlooked. Covers the legal basis for rule making, offers guidelines, and contains an Appendix with sample community association rules that cover practically everything from rubbish to the swimming pool.
