Daniel Tokaji : Election Law in a Nutshell (Nutshell Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Election Law in a Nutshell (Nutshell Series):

0 of 0 people found the following review helpful. Good overview, even just to learn the basics. By Doug M Very helpful overview of a complicated area of the law. Highly recommend it, even for people not in a class on election law. 0 of 0 people found the following review helpful. Great supplement! By gmdavila4713 This is one of the best study guides I have ever used. It is super concise and detailed. Worth the price! 0 of 0 people found the following review

helpful. Five StarsBy AimeeGreat study aid; I would recommend it!

Election law is a dynamic and quickly growing field that has garnered enormous public interest. It is a subject of great practical importance to lawyers and law students, with increasing litigation and several important decisions from the Supreme Court in recent years. This Nutshell provides a succinct and thorough description of the law governing voting rights, elections, and the political process in the United States. The topics addressed include the fundamental right to vote, gerrymandering, minority voting rights, ballot access, voter identification, recounts, direct democracy, and campaign finance. The Nutshell covers the constitutional law in these areas, including rights of free speech and equal protection, as well as the Voting Rights Act and other essential statutes. It addresses *Shelby County v. Holder* and other cases from the 2012-13 Supreme Court Term.
