Jack M. Beermann : Emanuel Law Outlines: Administrative Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Emanuel Law Outlines: Administrative Law:

3 of 3 people found the following review helpful. Another "A" thanks to EmanuelBy Finance InvestigatorI just wish I had discovered this series of outlines back in my first year. I started using Emanuel's at the beginning of my second year and the difference in my grades has been ridiculous. Except for one class, every A grade that I have received was a class in which I used an Emanuel outline. Administrative law was no exception. Administrative law is a dry subject and can be really difficult to absorb. It is nothing like Criminal Procedure or Evidence because the facts of the cases are usually confined to some type of procedural irregularity. Presidential appointments, removals, invalid rulemakings, premature challenges to rulemakings, failures to enforce, etc., are not the most exciting topics. However...this book covers all of them in a concise, easily-understood fashion. It's a short read too; only about 220 pages. I have to admit that the first time I read this book...I had trouble staying awake. But again, that's not the fault of this book; it is just

because the subject is really dry. So dry that my textbook was simply the most unreadable thing I have ever seen! But, after I gave up reading the textbook and just read this supplement instead - cover to cover - I pulled an "A" on the exam so I have no complaints. Also, the flashcards are aligned with this supplement and they help too. 0 of 0 people found the following review helpful. Four Stars By Kevin D Helpful and useful in the study of Administrative Law. 1 of 1 people found the following review helpful. Excellent Supplement By Korloch Bought this half way through the semester to help me figure out what the heck was going on in class. Got an A in the class, and I honestly believe I would not have done as well without the book to assist with my outline. Worth the purchase.

The most trusted name in law school outlines, Emanuel Law Outlines were developed while Steve Emanuel was a student at Harvard Law and were the first to approach each course from the point of view of the student. Invaluable for use throughout your course and again at exam time, Emanuel Law Outlines are well-correlated to all major casebooks to help you to create your own outlines. Sophisticated yet easy to understand, each guide includes both capsule and detailed explanations of critical issues, topics, and black letter law you must know to master the course. Quiz Yourself QAs, Essay QAs, and Exam Tips give you ample opportunity to test your knowledge throughout the semester and leading up to the exam. Every title in the series is frequently updated and reviewed against new developments and recent cases covered in the leading casebooks. Emanuel Law Outlines provide a comprehensive breakdown of the law, more sweeping than most, for your entire study process. For more than thirty years, Emanuel Law Outlines have been the most trusted name in law school outlines. Here's why: Developed by Steve Emanuel when he was a law school student at Harvard, Emanuel Law Outlines became popular with other law students and spawned an industry of reliable study aids. (Having passed the California bar as well, Steve Emanuel is now a member of the New York, Connecticut, Maryland, and Virginia bars.) Each Outline is valuable throughout the course and again at exam time. Outline chapters provide comprehensive coverage of the topics, cases, and black letter law covered in the course and major casebooks, written in a way you can easily understand. The Quiz Yourself QA in each chapter and the Essay QA at the end provide ample opportunity to test your knowledge throughout the semester. Exam Tips alert you to the issues that commonly pop up on exams and to the fact patterns commonly used to test those items. The Capsule Summary an excellent exam preparation tool provides a quick review of the key concepts covered in the course. The comprehensive coverage is more sweeping than most outlines. Each Emanuel Law Outline is correlated to the leading casebooks. Every title is frequently updated and reviewed against new developments and recent cases covered in the leading casebooks. Tight uniformity of writing style and approach means that if you use one of these guides, you can be confident that the others will be of similar quality.
