Can't comment too much yet.By SeeKimFlyI just got this to help with my Property course which uses the corresponding casebook. I was hesitant to get the Kindle edition until I realized that I can read it on the computer. I've used it a couple of times so far and like reading it on the computer and being able to highlight. I cannot comment about the content yet, because I've just begun the course and I've never used an Emanuel Outline before. I loved that I got it at a discount at the beginning of the semester. Apparently many of the Kindle version supplements are discounted at the beginning of each semester, so

keep an eye out. 0 of 0 people found the following review helpful. Solid supplemental material By Customer This book is spot on. I have Dukeminer assigned and I like to do my readings in it and then the applicable chapters in this book. Really helpful to make sure you have not missed anything, and provides easy explanations for confusing topics. Makes understanding the textbook a breeze.
