before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Emerging Issues in Tribal-State Relations*, 2011 ed.: *Leading Lawyers on Examining the Current Status of Tribal-State Affairs, Evaluating the Issue of ... Effective Legal Strategies (Inside the Minds)*:

*Emerging Issues in Tribal-State Relations* provides an authoritative, insider's perspective on the relationships between tribes and the government, and how they are changing in light of today's political and economic environment. Featuring partners and shareholders from some of the nation's leading law firms, this book guides the reader through the important cases and laws that are impacting tribes, tribal attorneys, and clients that interact with Indian nations. These top lawyers analyze the recent conflicts that have erupted over topics such as tribal sovereignty, gaming, reservation-based Internet sales, natural resources, land trusts, and tobacco taxation and regulation. Additionally, these leaders discuss strategies for resolving tribal legal matters, the role of the tribal attorney, and the importance of tribal-state cooperation. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts on the keys to fostering a successful rapport between Indian tribes and governments. *Inside the Minds* provides readers with proven business intelligence from C-Level executives and lawyers (Chairman, CEO, CFO, CMO, Partner) from the world's most respected companies and firms nationwide. Each chapter is comparable to an essay/thought leadership piece and is a future-oriented look at where an industry, profession, or topic is heading and the most important issues for the future. Each author has been selected based upon their experience and C-level standing within the professional community. Chapters Include: 1. Brian L.
