Samuel Wolff, Harold Bloomenthal : Emerging Trends in Securities Law, 2013-2014 ed. (Securities Law Handbook Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Emerging Trends in Securities Law, 2013-2014 ed. (Securities Law Handbook Series):

Provides an annual review and analysis of the most significant developments in the securities field. This handbook includes the latest on the evolving impact of the Sarbanes-Oxley Act, Section 16 changes, market and broker-dealer regulations, shareholder proposals update, and international securities regulation.
