**From Bna Books : Employee Duty of Loyalty: A State-By-State Survey** before purchasing it in order to gage whether or not it would be worth my time, and all praised Employee Duty of Loyalty: A State-By-State Survey:

Since 1945 the ABA Section of Labor and Employment Law has had its stated purpose (1) to study and report upon continuing developments in the law affecting labor relations, (2) to assist the professional growth and development of practitioners in the field of employment and labor relations law, and (3) to promote justice, human welfare, industrial peace, and the recognition of the supremacy of law in labor-management relations. This book updates and expands a report by members of the Subcommittee on Individual Responsibilities, Covenants Not to Compete, Trade Secrets, Loyalty, and Conflicts of Interest within the Employee Rights and Responsibilities Committee of the Section of Labor and Employment Law of the American Bar Association.
