Thank you 0 of 0 people found the following review helpful. There was not a really good glossary - this book is a student edition so ... By Karen E. Parker There was not a really good glossary - this book is a student edition so I guess I have the wrong book. I needed the student version

Directed primarily toward law or management college/university students, this text also provides practical content to current and aspiring industry professionals. Moran approaches employment law with a focus on discrimination and

employment regulation, presenting the principles of law in a logical succession and illustrating those principles with engaging real-world applications.
