David Jackson : Enforcement of Maritime Claims (Lloyd's Shipping Law Library) before purchasing it in order to gage whether or not it would be worth my time, and all praised Enforcement of Maritime Claims (Lloyd's Shipping Law Library):

The fourth edition consists of consideration of all aspects of the jurisdiction of English courts and arbitrators over maritime claims, applicable law, judgments, remedies and security interests, including the continuing critical impact of membership of the European Union. The comprehensive updating encompasses legislative, convention and judicial

developments since the publication of the last edition in 2000 in particular the replacement of the amended Brussels Jurisdiction and Judgments Convention 1968 by Council Regulation 44/2001 and its effect on other maritime convention jurisdiction provisions, relevant Civil Procedure Rules and judicial interpretation of both.

About the Author Professor D.C Jackson is Emeritus Professor of Law at Southampton University.
