While the rest of the book was in workable condition, as a rental, its concerning that the book wasn't in better condition to return at the completion of my course because of its poor original condition. All in all it did the trick, but I wouldn't recommend buying a less than acceptable product from here.0 of 0 people found the following review helpful. Book broke upon opening itBy JasonThe binding broke the first day I opened the book up and the problem has only gotten worse after each use. The quality of this product is extremely poor and this has happened to EVERY person in my class. It is a lose-lose situation. You need the book for your class, therefore buy it used from the cheapest source or buy it electronically. If

you rent it or buy it new, you are only throwing your money down the drain, because unless they change the manufacturer, this book will not be able to be sold in good condition or returned. On a positive note, the material presented in the book is very detailed and a great source of information. The Case Problems and Taking Sides sections help a student relate the information presented in the chapters to real life examples. 0 of 0 people found the following review helpful. The book I received was in three pieces: the ...By Miranda BoslerThe book I received was in three pieces: the hard cover, about 1/7 of the book, then the rest of the book. It cannot even sit on my shelf correctly or be placed in my backpack without becoming a huge mess. I can hardly use this book because it just falls apart every time I touch it. I attempted to glue it back together but there was no hope.

Extremely reader friendly, ESSENTIALS OF BUSINESS LAW AND THE LEGAL ENVIRONMENT, 12e uses a nontechnical presentation to help you understand the dynamics of today's legal environment for business. Covering a broad variety of key subjects and emphasizing ethical decision making, the text presents all business law topics required for success on the CPA exam. Cases are carefully summarized and integrated in order to present both recent legal issues and landmark court decisions while minimizing legal jargon. The 12th Edition includes new "Going Global" features that highlight the international aspects of legal issues, more than 30 recent cases, updated coverage of limited liability companies and suretyship, amendments to UCC Articles, SEC rules on social media, recent U.S. Supreme Court decisions, and much more.
