0 of 0 people found the following review helpful. and I am pleased with it By David D. It's very comprehensive, and I am pleased with it. We are just at the beginning. Will let you know by the end of the semester. 0 of 0 people found the following review helpful. Love the Kindle Version By Customer Renting on the Kindle Version brings immediately delivery, fast payment process, and satisfaction through search engines/note taking. I have come to enjoy a few nicks of the digital age for college studying. Any college student should really consider renting through the kindle version for saving money instead of renting actual text books or buying them. 0 of 0 people found the following review helpful. ... book for a business class and it was very easy to read and understand By kandis stewart I purchased this book for a business class and it was very easy to read and understand. It really helped me succeed in the class.

The new, ninth edition of the Essentials of Business Law program is a practical, concise, and broad-based introduction to the vibrant field of business law. Both the traditional areas of law, such as contracts and property, and the emerging areas of law, such as e-commerce and environmental, are covered in short, informative chapters written to capture the essence of each topic. The objective of the text throughout its coverage is ease of use, ease of teaching, ease of assessment, and ease of understanding. It has been developed for those seeking a more fundamental overview of the concepts and principles that are vital to the understanding of business law.
