Sandi Towers- Romero : Essentials of Florida Real Estate Law before purchasing it in order to gage whether or not it would be worth my time, and all praised Essentials of Florida Real Estate Law:

1 of 1 people found the following review helpful. Now sits on my shelf.By ScottI am guessing it is a required reading for a real estate or Florida law class. I was studying for the actual Florida real estate exam and found this book to be no real help. Good reading for an academic study, but I would not recommend as a study companion for the Florida real estate exam. Now sits on my shelf. Does anyone want to buy it? I will ship it. email: michaelsliles@yahoo.com
