From United Nations : European Agreement Concerning the International Carriage of Dangerous Goods by Road (ADR): Applicable as from 1 January 2017 (Two-volume Set) before purchasing it in order to gage whether or not it would be worth my time, and all praised European Agreement Concerning the International Carriage of

Dangerous Goods by Road (ADR): Applicable as from 1 January 2017 (Two-volume Set):

The European Agreement concerning the International Carriage of Dangerous Goods by Road is intended to increase the safety of international transport of dangerous goods by road. Regularly amended and updated since its entry into force, it contains the conditions under which dangerous goods may be carried internationally. This version has been prepared on the basis of amendments applicable as from 1 January 2017. It contains in particular new or revised provisions concerning for vehicles and machineries; battery powered vehicles and equipment; marking and labeling for lithium batteries in Class 9; instructions in writing; construction and equipment of vehicles; use of LPG, CNG and LNG as fuel for vehicles carrying dangerous goods.
