From Kluwer Law International : European Air Law Association Series 11th Annual Conference before purchasing it in order to gage whether or not it would be worth my time, and all praised European Air Law Association Series 11th Annual Conference:

Liabilities and claims handling have always been at the focus of attention for many aviation lawyers, be it in private practice, with airlines or insurers, manufacturers, airport operators, national governments and international organisations, or in academia. The European Air Law Association organised a seminar in Munich which provided an opportunity to discuss all aspects of this area of the law.
