**P.D. Dagtoglou, Piet Jan Slot, S.A. Mirmina : EUropean Air Law Association Series Volume 8: Sixth Annual Conference In Amsterdam** before purchasing it in order to gage whether or not it would be worth my time, and all praised EUropean Air Law Association Series Volume 8: Sixth Annual Conference In Amsterdam:

The continued implementation of the competition rules of the EC Treaty and the provisions of the third package of aviation liberalisation measures of 1 January 1993 remain of great importance to the Community's aviation industry. 1994 has seen important activity on access to Community air routes (such as the Orly airport cases), ground handling, state aids and code sharing. These subjects, and others, are examined in the Association's annual conference for 1994, with a round table session on access to air routes in particular. In addition, in view of the conference's location in Amsterdam, there will be a particular Dutch perspective on certain current issues.
