Marcia Stewart, Janet Portman, Ralph E. Warner : Every Landlord's Legal Guide with CDROM (Every Landlord's Legal Guide (W/CD)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Every Landlord's Legal Guide with CDROM (Every Landlord's Legal Guide (W/CD)):

0 of 0 people found the following review helpful. The only book you need for LandlordingBy Stanford Eric LockEIf you are responsible for landlording any real property THIS is the one book you should own.easy to read, easy to understand: it gives you all you need.Use it!I also bought the yellow cover book, "Landlording: A Handymanual for Scrupulous..." which is a lot of reading in small print pain to use0 of 0 people found the following review helpful. Good book!By TeaTimeEasy to read and follow. Great advise!0 of 0 people found the following review helpful. Five StarsBy Jane A. WaranowskiLots of good info

Whether you have one unit or one hundred, this book will give you the legal and practical information you need to comply with your state's laws, find and keep good tenants, and avoid legal trouble. A Nolo bestseller, *Every Landlord's Legal Guide* shows you how to: *screen and choose prospective tenants *write a legal rental agreement or lease *hire a property manager *deal with problem tenants *understand repair, maintenance and security responsibilities *avoid lawsuits *comply with laws regarding security deposits, privacy, discrimination, senior housing, habitability and much more The completely revised 6th edition features updated legal charts that cover every state's landlord/tenant laws, ranging from security-deposit rules to evictions. It also discusses discrimination on the basis of immigration status, issues regarding terrorism and dealing with noisy tenants. All forms provided as tear-outs and on CD-ROM.

.com This is a practical, well-organized manual for how to be a good landlord and avoid some of the pitfalls of owning rental property. Sample leases and rental agreements, information about liability, discrimination, repairs, and maintenance, and how to deal with problem tenants fairly and legally are all contained in here. Maybe if more landlords read this book, more tenants would feel like they and the owner are not intrinsic adversaries. Even though we get along quite well, and have for the last 22 years, I lent my copy to my landlord--for the other tenants' sakes!From Library JournalThis new title is a thorough and pragmatic examination of the legal issues that confront landlords of residential real property. In 17 chapters, it covers such topics as rent, discrimination, working with property managers, landlord liability, tenants, privacy rights, and security deposits. The chapters summarize the law and explain it with true-to-life illustrations. Icons are used to point out a practical tip, a question that might need a lawyer's interpretation, or an instance in which a rent-control ordinance might apply. The book is liberally sprinkled with sample agreements, letters, and lists of specific state requirements with regard to landlord/tenant laws. Forms to help with rent applications, tenant references, security deposit itemization, and safety and maintenance updates, to name a few, appear in print at the end of the book and on an accompanying 3.5" DOS-based computer disk. *Every Landlord's Legal Guide* makes plain the important legal concepts and provides real guidance for landlords. Recommended for most public libraries.?Joan Pedzich, Harris, Beach Wilcox, Rochester, N.Y.Copyright 1996 Reed Business Information, Inc. ... when it comes to handling tenants no landlord should be without a copy of *Every Landlord's Legal Guide*... -- Doreen CasonJacksonville Florida TimesIf there is one item a landlord needs it's a reliable legal guide.... -- The Real Estate ProfessionalOn my scale of one to 10, it rates an off-the-chart 12. -- Robert Bruss, nationally syndicated real estate columnist
