**Joseph Bankman : Examples Explanations: Federal Income Taxation, 6th Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Examples Explanations: Federal Income Taxation, 6th Edition:

0 of 0 people found the following review helpful. You'd be fine to go with the older versionBy questionYou'd be fine to go with the older version. But this is a well written primer, one of the few books that has value outside of law school and outside of that area if you are not specializing in it.12 of 12 people found the following review helpful. This book got me an A.By Another CustomerI struggled all semester long with Tax I. I purchased Examples and Explanations because I'd had good experiences with other topics before. As soon as I started reading the EE along with my class

assignments (or in place of them), it all came together. It offers some concrete explanations and then provides questions with great factual variations. My exam was multiple choice, so the EE material was perfect preparation. Seriously, how could ~\$35 not be a great investment when it returns an A? Buy this book. 0 of 0 people found the following review helpful. The book does a great job of breaking down some concepts. By Kevin BoomI bought this supplement as an aid for my Federal Income Tax course and finally the Professor began to make some sense to me! The book does a great job of breaking down some concepts, but I only gave 4 stars because there are instances where it presupposes that the reader has a deeper knowledge of the topic than may be true. Overall, highly recommended!

Using the proven-effective Examples Explanations series pedagogy, Federal Income Tax combines textual material with examples and explanations that test and reinforce students' understanding of case, statutory, and regulatory analysis. Students learn how to apply federal income tax law through realistic hypotheticals. The revised Sixth Edition offers new and updated examples explanations with timely coverage of developing topics such as medical expenses, taxation of same-sex couples, debt discharge income, value-added taxes, and the federal budget. Hallmark features of Federal Income Tax: Examples Explanations: as a valuable problem supplement, it is compatible with most casebooks an integrated treatment of policy questions clear and helpful introductions to each topic the Exam Appendix includes eight law school exams with suggested answers New to the Sixth Edition updates to IRC amendments, including: The patient Protection and Affordable Care Act The American Recovery and Reinvestment Act of 2009 The Emergency Economic Stabilization Act of 2008 current issues and important new cases, such as O'Donnabhain
