J. Shoshanna Ehrlich : Family Law for Paralegals, Sixth Edition (Aspen College) before purchasing it in order to gage whether or not it would be worth my time, and all praised Family Law for Paralegals, Sixth Edition (Aspen College):

0 of 0 people found the following review helpful. Not as expectedBy customerI have order many used books from throughout my education and have been very pleased. Unfortunately I am not pleased with the quality of this book at all. I do understand that I ordered a USED book but there are more makings on the pages and personal notes than expected. Many of the markings have bled through the pages. I was very surprised to see this quality. The outside of the book is ok again it's used, so I expect there to be some marks or bends.0 of 0 people found the following review

helpful. Three StarsBy CustomerGreat information, but very long chapters.0 of 0 people found the following review helpful. Five StarsBy icollazoGreat if your pursuing a family law career.

Thoughtful and carefully-written, Family Law for Paralegals presents the nuts-and-bolts in a relevant historical framework with exposure to some of the most dynamic issues in family law today. The comprehensive coverage balances the basic issues of marriage and divorce with cutting-edge concerns such as non-marital families, child abuse and neglect, and same-sex marriage. Helpful real-life examples and sample forms show students what they will encounter in practice. Useful pedagogy helps students develop their critical thinking and writing skills, and a range of assignments in each chapter provides practice in research, analysis, memo-writing, and argumentation. Fresh new cases enliven the Sixth Edition. New material features changes in the law relating to same-sex marriage as well as technological innovations such as e-filings for divorce. A new discussion of divorce and military families is presented, and issues related to international families are explored. The Sixth Edition covers all the new rulings on the Defense of Marriage Act (DOMA.) Features:nuts-and-bolts of family law in relevant historical framework with exposure to dynamic, contemporary issues comprehensive coverage fundamental issues of marriage and divorce cutting-edge concerns: non-marital families, child abuse and neglect, and same-sex marriage real-life examples and sample forms preview actual practice useful pedagogy helps students develop critical thinking and writing skills summaries key terms review and discussion questions range of assignments for practice in research, analysis, memo writing, and argumentation Thoroughly updated, the revised Sixth Edition presents: fresh new cases current changes in the laws relating to same-sex marriage new coverage of technological innovations, such as e-filings for divorce discussion of divorce and military families legal issues related to international families new rulings on the Defense of Marriage Act (DOMA)
