**Herbert Hovenkamp : Federal Antitrust Policy, The Law of Competition and Its Practice, 4th (Hornbook) (Hornbooks)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Federal Antitrust Policy, The Law of Competition and Its Practice, 4th (Hornbook) (Hornbooks):

Nearly all of the aspects of federal antitrust policy are covered in this treatise. And it's written so you don't need a background in economics to understand it. Expert narration states the black letter law and presents policy arguments

for alternatives. Text also includes an analysis of recent Supreme Court and lower-court decisions.
