0 of 0 people found the following review helpful. Federal Rules of Civil Procedures By UGRT901 make sure you get the most recent book or one that is within two years. Every year the rules can change. However, if you go online, more than likely you will get the most updated rule published by Cornell Univ. Law library. Procedural due diligence is important. You cannot address the courts without knowing the rules. This becomes your "bible". Everything on jurisdiction, venue, motions, appeals through the Supreme Court are covered. In law you have two parts, procedural and then the substance or merits. The procedures are the steps required to bring it before the court. Afterwards, you are

battling to get the merits considered. Your opponent is trying to block or hide or throw out your merits so that you will be unsuccessful. Its all in the rules. You must know how to navigate through the courts. Without it, you have very good issues, matters or merits, but without the procedural know how, its thrown out on technicalities. Final thoughts, once you know the federal rules, they are predictable across the state to state within the federal court systems. You have to know the local rules that the particulars for the district courts of a particular state and some of the state laws which may have an impact on the litigation. But, mostly you will have 80% of what you need to know to navigate in a federal court setting.
