people who made the rules. This is also a cheaper option than more current editions. I aced my Evidence Course with this book and the CALI Exercises.0 of 0 people found the following review helpful. Perfect substitute for the 2013 versionBy Anna H.I bought this version to save some money on my evidence materials. It's completely up to date with the most recent amendments to the FRE. Absolutely buy this to save a few dollars!1 of 1 people found the following review helpful. you need itBy Tammi C.The rules of evidence will be required for most of your legal needs so this book is pretty much a necessity.
