Gloria Allred : Fight Back and Win: My Thirty-year Fight Against Injustice--and How You Can Win Your Own Battles before purchasing it in order to gage whether or not it would be worth my time, and all praised Fight Back and Win: My Thirty-year Fight Against Injustice--and How You Can Win Your Own Battles:

1 of 2 people found the following review helpful. great listening By Andi I bought this book for my sister. She has five kids (all boys) and is a elementary school teacher, so she does not have much time to read adult books. Having the book on CD let her realx and enjoy her time in the car after and before picking up the kids. She said it was very good book and was amazed at all the things Gloria Allred has over come. If I had bought her the hardcover I don't think she would have been able to enjoy the book as much as she did. 2 of 3 people found the following review helpful. Fight BACK Gloria By Rachel Garcia Gloria is an inspiration she sets forth Morality, Equality, Human Rights and makes you want to stand up and FIGHT for your rights! Dont Back Down!! Let Life's lessons guide you to others awareness and resolutions!

World-renowned women's rights attorney and civil rights advocate Gloria Allred shares empowering life lessons learned while fighting on the front lines for victims' rights. Voted by her peers as one of the best lawyers in America, and described by Time as "one of the nation's most effective advocates of family rights and feminist causes," Allred has devoted her career to fighting for civil rights across boundaries of gender, race, age, sexual orientation, and social class. She has taken on countless institutions to promote equality, including the Boy Scouts, the Friars Club, and the United States Senate, often drawing from her creativity and wit to achieve results. And as the attorney for numerous high-profile clients, Allred has helped victims assert and protect their rights. Presenting nearly fifty of her most memorable cases, she takes us deep inside the justice system to show how it's possible to win even in the face of staggering odds, while revealing how much further we still have to go to empower all members of society. *Fight Back and Win* is a powerful testament to Gloria Allred's trailblazing career and the battles she has fought alongside countless brave individuals to win justice for us all.

About the Author Gloria Allred is the most prominent women's rights attorney in the United States and is one of the highest-profile attorneys in the world. She has been a television commentator on Fox News Channel, CNN, MSNBC, CNBC, and Court TV, and is a three-time Emmy nominee for her television commentary on KABC Television Eyewitness News in Los Angeles. She was rated one of the most important radio talk show hosts in America by USA Today, and has won the President's Award from the National Association of Women Lawyers and the 1986 President's Volunteer Action Award for her work in child support enforcement, presented to her by President Ronald Reagan at the White House. A founding partner in the Los Angeles law firm of Allred, Maroko Goldberg, Allred lives in Southern California. Gloria Allred is the most prominent women's rights attorney in the United States and is one of the highest-profile attorneys in the world. From AudioFile: Shy victims everywhere should listen repeatedly to this well-organized audio. The author, a prominent women's rights attorney, confronts the ridiculous efforts of good-old-boy clubs to protect their own, and gives fascinating accounts of her legal battles with Mike Tyson, Bob Packwood, Bill Clinton, Marv Albert, Scott Peterson, and other notorious offenders. The youthful-sounding author is reasonably pugnacious but manages to avoid sounding like a lawyer. On balance, this is a necessary and surprisingly gentle polemic presented in the form of an eye-opening, fast-moving narrative. A must hear for anyone thinking about fighting in any arena for his or her legal or personal rights. T.W. AudioFile 2006, Portland, Maine-- Copyright AudioFile, Portland, Maine
