Deborah E. Bouchoux : Fundamentals of Business Organizations for Paralegals, Fourth Edition (Aspen College) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fundamentals of Business Organizations for Paralegals, Fourth Edition (Aspen College):

0 of 0 people found the following review helpful. GoodBy Yaqing Y.Good0 of 0 people found the following review helpful. Easy Read, good info.By Hot HandsVery easy to read text...maybe too easy. Used this for an online paralegal course on business organizations.The only downside is that the information is general for the entire US, so nuances for your state may vary.1 of 1 people found the following review helpful. Business OrganizationsBy Laura DavisI love this book because the subject material is easy to read and understand. I especially like the way it is set up; particularly the word definitions on the sides of the pages and the paralegal checklists at the end of each chapter.

Fundamentals of Business Organizations for Paralegals thoroughly covers all types of business organizations, providing a solid understanding of each entity from its nature through its management to its dissolution, in a concise manner suited to shorter courses. There is more in-depth treatment of Limited Liability Partnerships and Limited Liability Companies than in any other text. Case summaries illustrate key topics and added elements--discussion questions, key terms, exhibits and charts, sample forms--enhance the students' understanding. Fundamentals of Business Organizations for Paralegals relies on a clear and direct presentation, and each chapter includes features--both conventional and Internet-based--that help students prepare for real-life paralegal work. The revised Fourth Edition features updated case summaries illustrating core concepts. The content reflects major developments such as the new social enterprises that combine profit-making with social good; the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010; new trends in corporate governance; and the continuing impact of the 2008 financial crisis. Features: thorough and up-to-date treatment of all types of business organizations the nature of the entity formation and dissolution tax consequences concise, more direct approach suits shorter courses more in-depth treatment of Limited Liability Partnerships and Limited Liability Companies than other texts role of the paralegal demonstrated in real-life situations useful exhibits, charts, and sample forms throughout the text Web resources Practice Tips case summaries that illustrate key concepts Thoroughly updated, the revised Fourth Edition features: discussion of new social enterprises that combine profit-making with social good coverage of the financial crisis of 2008 and its continuing effects an introduction to Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 considerations of new trends in corporate governance updated case summaries and sample forms
