Fragomen Global : Global Business Immigration Handbook, 2014 ed. (Immigration Law Library) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Global Business Immigration Handbook, 2014 ed. (Immigration Law Library):

Organized alphabetically by country, Global Business Immigration Handbook is arranged so that each chapter follows a similar format for ease of use. Chapters begin with an overview of the country's immigration laws, followed by a discussion of: Temporary stays for business, study, investment, and other purposes; Permanent residence; Naturalization; Immigration rights of family members; Employment of noncitizens and their family members; Obligations of noncitizens within each country; Travel restrictions affecting noncitizens; The title also includes

numerous representative immigration forms for each country.
