Steven Machat : Gods Gangsters Honour: A Rock 'n' Roll Odyssey before purchasing it in order to gage whether or not it would be worth my time, and all praised Gods Gangsters Honour: A Rock 'n' Roll Odyssey:

0 of 0 people found the following review helpful. The best book about the music and record industries you will ever read ! A "Must Read" book !By stephen craig aristei Steven Machat has lived in the eye of the hurricane of the entertainment business his entire adult life. He has created the most honest and truthful book on the music/recording industry ever written. A principle participant in the madness, he tells the tails "warts and all" from the "inside", pulling

no punches and sugar coating nothing! If you are interested in a career within the music or recording industry on any level, you must read this book...No other book will give you such honest accounts and details of "how things really are" on a daily basis.0 of 0 people found the following review helpful. Steven is an interesting character. So important in the ...By jtestuffSteven is an interesting character. So important in the world of music, but almost nothing to do with music. Also his personal life is woven into his stories. Because he interacted with many people you have heard of, this book acts as a back story to fill in the gaps.0 of 0 people found the following review helpful. Dirty Side of the Music BusinessBy Donald PiperInteresting read. Obviously told from the writer's perspective. How true or not it is will be up to others to decide.

From Frank Sinatra to Michael Jackson, an insider's account of the deals and the dodges inside the music and entertainment business over the last 30 years

About the AuthorSteven Machat is an entertainment attorney with nearly 30 years of experience producing music, films, television, and theatrical productions. He has functioned as a record company owner, a music publisher, and a talent manager. He splits his time between New York and London.
