gage whether or not it would be worth my time, and all praised *Government Contracts Compliance, 2014 ed.: Leading Lawyers on Understanding Enforcement Trends and Updating Compliance Programs (Inside the Minds)*:

Government Contracts Compliance provides an authoritative, insider's perspective on the best practices for adhering to government procurement requirements. Featuring partners from some of the nation's leading law firms, this book guides the reader through key legal issues, including the Mandatory Disclosure Rule, increased enforcement of the False Claims Act, and possible organizational conflicts of interest. These top lawyers discuss recent cases that are likely to have a major impact on this field, such as *Agility Defense and Govt Services, Inc. v. U.S. Department of Defense*, and *Inchcape Shipping Services Holdings LTD v. United States*. Additionally, the authors share their thoughts on helping clients to develop and implement effective compliance programs across all aspects of a company. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to navigating this rapidly-changing area of law. *Inside the Minds* provides readers with proven business and legal intelligence from leading C-Level executives and lawyers. Each chapter offers thought leadership and expert analysis on an industry, profession, or topic, providing a future-oriented perspective and proven strategies for success. Each author has been selected based on their experience and C-Level standing within the business and legal communities. Chapters Include:
