JS Moore, Harry C. Bowyer : Haggard Harry and the Fisher King before purchasing it in order to gage whether or not it would be worth my time, and all praised Haggard Harry and the Fisher King:

The author's rants in between stories of Harry were not as interesting.1 of 1 people found the following review helpful. Another awesome book by JS MooreBy Lawson"I'm an old man. I didn't mean to wet

myself. I wasn't trying to vandalize the courthouse. Why would I do that? With those few sentences, it sums this book up. I was on the edge of my seat, wondering how it would end. How would this court case end with Harry Bowyer? I was in tears at one point. I don't know Mr. Bowyer but because of these books, I wish I did. And now, I can't wait to read the third book in this series (which has my previous review on the back, which makes me feel "published"). Mr. Moore's writing is spot on. It even makes me wonder if I could ever be a writer? As long as Mr. Moore is writing about Kingsport and it's people, then I am a purchaser of his fine works.

Look into the life and philosophy of Kingsport, Tennessee's own Harry Bowyer. Once a soldier, then a lawyer and acting judge, Harry walked away from his comfortable way of life when he found God and began to serve Him. For mature audiences because of language... Part Two of Three. A portion of proceeds will benefit Harry.

When you combine a great writer and a great character you often create a great story. That is definitely what happened here... JS Moore has not only the capacity, the desire, and the skill of storytelling; he also has the 'gift,' which I have rarely seen... More Twain than Grizzard, JS Moore includes himself in the story as the story teller, but the story itself is truly Harry's. It's a small book with a powerful message. I look forward to the trilogy. -Dr. Glen Moody
From the Author Follow me, and I will make you fishers of men. And they straightway left their nets, and followed him. (Matthew 4: 19-20)
Harry and I are fishermen. You don't have to have a license. Just cast out your line and start reeling. -JS Moore
