From Government Printing Office : Health Care Reform: Patient Protection and Affordable Health Care ACT, Public Law 111-148 and Health Care and Education Reconciliation Act of 2010, Public Law 111-152 before purchasing it in order to gage whether or not it would be worth my time, and all praised Health Care Reform: Patient Protection and Affordable Health Care ACT, Public Law 111-148 and Health Care and Education Reconciliation Act of 2010, Public Law 111-152:

These laws will impact every American in significant ways and they will be discussed for years to come across a broad spectrum of issues and policies. How much will it cost and how will we pay for it? How will it impact the deficit? How will Medicare and Medicaid be affected? Will it really provide coverage for every American? Will immigrants be eligible? Will it cover abortion services? What are the individual and employer mandates? How will it reform insurance company practices? Whatever your questions or concerns, these are the laws that lay the foundation of this vital issue. Every library should have this volume in its collection. This volume contains the complete contents of:
