From Globe Law And Business : Hedge Funds: A Practical Global Handbook to the Law and Regulation before purchasing it in order to gage whether or not it would be worth my time, and all praised Hedge Funds: A Practical Global Handbook to the Law and Regulation:

This practical new handbook outlines key trends in the global hedge fund industry, including latest structuring and governance models, as well as operational, litigation, enforcement and key regulatory initiatives in the European Union and United States. The book also features an in-depth analysis of the law and regulation of hedge funds in a number of leading jurisdictions. Each country chapter follows a detailed template for ease of reference for the reader.
